Year 6

Homework Challenge – Autumn 1st 2017

This year we have decided to continue setting a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set.

Our topic this term is '**Fever, Fire Fashion**' and the following are all ideas that tie in with the topic:

 <p>Write your own remedy to cure the Plague .</p>	<p>Who was Samuel Pepys? Present your findings in an interesting way.</p> 	<p>Draw a map of the area that you live in. Use map symbols to identify facilities etc.</p> 
<p>Create a pictorial timeline of British clothing developments since the 17th century.</p> 	<p>Make a model of London Bridge before the Great Fire.</p> 	<p>Identify the organisms in a local habitat. Write/draw/photograph all you can about them.</p> 

The challenge work for Term 1 is due in **Monday 16th October** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work which will be called their '*Challenge book*'. We are expecting **one double page** to be used for each topic or you may choose to make a model/send something electronically.

It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! If you would like to do more than a double page then this is absolutely fine too. All we ask is that everyone has a go, so they all have something to share at the end of each term.

<http://www.learninglogs.co.uk/>

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to pop in to see us should you have any queries about this.

We thank you for your continued support
