

17<sup>th</sup> July 2019

Dear Parents and Carers,

We are writing with some exciting news!

From this September the Lunchtime Company will be serving delicious, nutritious, healthy meals to the pupils at Gaywood Primary School.

The Lunchtime Company is run by award-winning Master Chefs who will provide training and support to the kitchen staff.

All meals will be cooked from fresh ingredients every day, sourced locally (where possible within a 60 mile radius of the school), and prepared on-site.

Over the course of the academic year there will be various theme days, activities, cookery classes and charity events – these will be advertised around the school and on the website.

At the Lunchtime Company we want to help children gain a real appreciation for good quality food, where it comes from, how it's produced and why healthy food is important.

We want to make Lunchtime the highlight of the day for everyone at Gaywood Primary School.

With best wishes,

*Samantha Barton*
